⚠ This symbol identifies safety and health messages in this Guide. Read this guide for important safety and health information for the product that you have purchased.

⚠ Safety Information WARNING:

Please read the User Manual in full before you begin the operation and use of your Kobo Stylus. Failure to follow these safety instructions and those in the User Manual could result in fire, electric shock, battery leakage or other harm, injury to you or others, or damage to your Kobo Stylus, and/or other property. In addition to these safety considerations, misuse of your Kobo Stylus could lead to voiding the terms and conditions of your warranty. You can find additional support at www.help.kobo.com and www.kobo.com/userguide.

⚠ DANGER: Choking hazard.

As your Kobo Stylus contains small components, please keep small stylus parts and accessories out of reach from young children as that could lead to a choking hazard.

⚠ WARNING: Battery safety.

Handling: Never swallow. Never charge. Never heat. Never expose to open flame. Never disassemble. Never reverse the positive and negative terminals when mounting. Never short-circuit the battery. Never weld the terminal or wire to the body of the battery directly. Never use different batteries together. Never touch the liquid leaked out of battery. Batteries that are leakage should be handled with rubber gloves. Never bring fire close to battery liquid. Storage: Never store the battery in hot and high humid place.

Other Safety Information

1. Do not use harsh or corrosive chemicals, cleaning agents or detergents to clean your Kobo Stylus or its accessories. Use a clean, dry, soft cloth to wipe your Kobo Stylus and accessories.
2. Do not use your Kobo Stylus in a damp or dirty environment as this may affect the sensitive electronics in your Kobo Stylus.
3. Your Kobo Stylus should be stored in a clean, cool and dry room, and avoid direct sunlight and contact with corrosive substances.
4. If your Kobo Stylus is exposed to water or a damp environment, do not use a microwave, hair dryer or any heat generating equipment to dry it.
5. Dropping or subjecting your Kobo Stylus to a forceful impact will damage your Kobo Stylus and its sensitive electronic circuitry leading to equipment failure.
6. For optimal performance, your Kobo Stylus should be used between 0°C ~ 35°C with 20% to 80% relative humidity.

If your Kobo Stylus is damaged during use, please contact Kobo at www.help.kobo.com or <http://rakuten.kobobooks.com/help> for additional support.
